

# Communicating Between Vue Components

**Jim Cooper**

Software Engineer

@jimthecoop | jcoop.io

# Agenda

**Using Props to Share Data with Child Components**

**Validating Props**

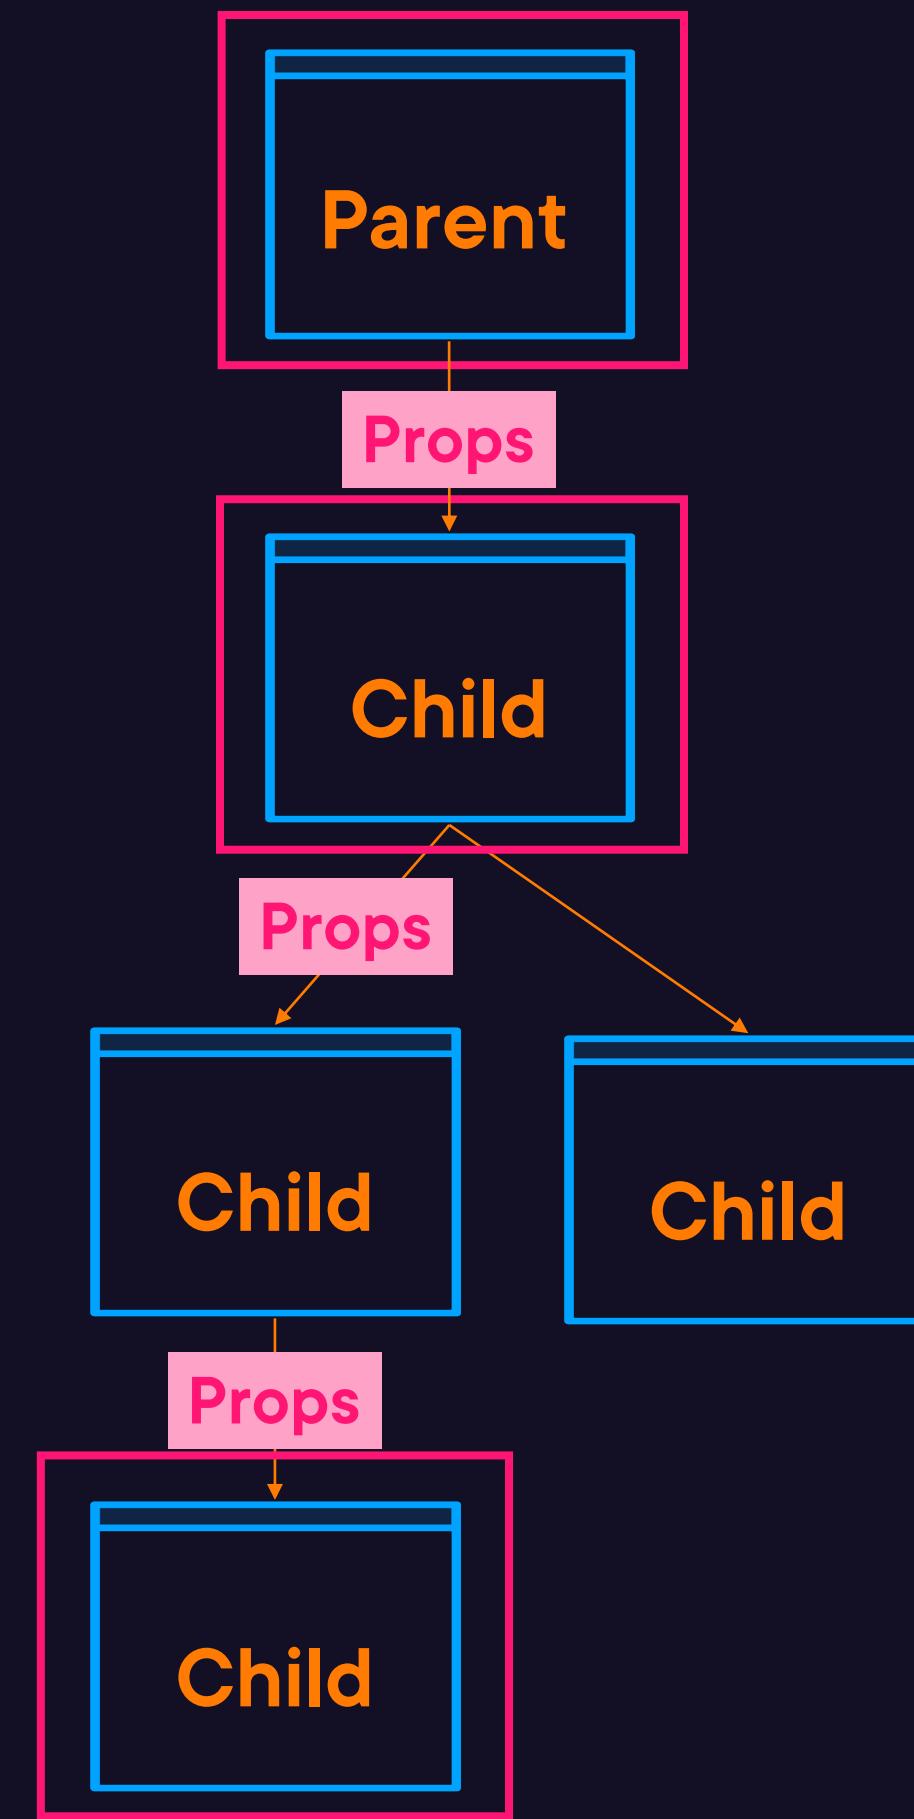

**Passing Data to Parent Components with Events**

**Using Provide/Inject**

**Injecting Content with Slots**

# Passing Data to Deeply Nested Components

# Summary

**Using Props to Share Data with Child Components**

**Validating Props**

**Passing Data to Parent Components with Events**

**Using Provide/Inject**

**Injecting Content with Slots**

**Up Next:**

# **Vue Routing and Navigation**
